ABOUT THIS RESOURCE

This resource is produced by Stonewall, a UK-based charity that stands for the freedom, equity and potential of all lesbian, gay, bi, trans, queer, questioning and ace (LGBTQ+) people.

At Stonewall, we imagine a world where LGBTQ+ people everywhere can live our lives to the full.

Founded in London in 1989, we now work in each nation of the UK and have established partnerships across the globe. Over the last three decades, we have created transformative change in the lives of LGBTQ+ people in the UK, helping win equal rights around marriage, having children and inclusive education.

Our campaigns drive positive change for our communities, and our sustained change and empowerment programmes ensure that LGBTQ+ people can thrive throughout our lives. We make sure that the world hears and learns from our communities, and our work is grounded in evidence and expertise.

Welcome to Stonewall Young Futures – transcript

Welcome to Stonewall Young Futures! This is a space for all young lesbian, gay, bi, trans, queer, questioning and ace people in the UK.

This is a space made with LGBTQ+ young people, for LGBTQ+ young people.

It's okay not to know what you want to do with your future. You can come here to explore and feel inspired.

On this site you can come as you are. There's no right way or wrong way to do things – take a look at all the different options and try new opportunities, learn about what's out there, and see what works for you.

Hear from other LGBTQ+ people about what they did, what paths they took, and how they did it!

This site has been designed in collaboration with LGBTQ+ young people. We've taken part in focus groups, sharing our experience and our ideas and making sure that Stonewall Young Futures works for us.

In the My Future section, you can look through resources to explore your options, find inspiration, and get support. Different resources are listed under 'education', 'apprenticeships, training and skills', and 'work'.

Head to LGBTQ+ Stories to hear from other people about their journeys. There's no one way to take the next step, and you'll discover lots of different paths that people have taken to get where they are today.

Whether or not you feel ready to dive into a new opportunity, you'll need support on your journey. In the LGBTQ+ Support section, you'll find useful resources to support your mental health, find local youth groups, learn about your rights, and there's also support for anyone living in a hostile environment or experiencing homelessness.

Take a look at Our Partners to find out more about the brilliant organisations that support Stonewall Young Futures!
