OPTIONAL DONATION

Mae Rhai Pobl yn Hoyw. Deliwch Â'r Peth! has been developed as part of Stonewall Cymru's national campaign, Education for All, to tackle homophobic bullying in our schools. Designed in collaboration with 150 secondary school students, posters and postcards bearing this design have been sent to all schools across the country and in early 2008 we ran a billboard campaign to raise awareness of the campaign. Education for All works with education professionals and schools to tackle homophobia and homophobic bullying so that all young people can reach their full potential at school. If you would like to support Stonewall Cymru so we can continue this work please consider giving an additional donation.
