Limited funds are available.
☐ Please send me criteria and an application form

BOOKING BWMDIO

Mae pedair blynedd wedi pasio ers lansio Fforwm LHD/Stonewall Cymru yn y Gynhadledd Flynyddol gyntaf erioed. Ymunwch â ni i adolygu'r newidiadau deddfwriaethol hanesyddol sydd wedi digwydd ers hynny:

2003 Cynulliad Cenedlaethol Cymru: Parchu Eraill: Canllawiau Gwrth-Fwlio wedi diddymu Cymal 28 i bob pwrpas yng Nghymru
2003 Rheolau Cydraddoldeb Cyflogaeth Triniaeth deg yn y gweithle
2003 Deddf Cyfiawnder Troseddol Dedfrydau llymach am droseddau casineb homoffobaidd
2004 Deddf Partneriaeth Sifil Cydnabyddiaeth gyfreithiol ar gyfer perthynas rhwng dau o'r un rhyw
2005 Newid Deddf Plant a Mabwysiadu 2002
Hefyd er mwyn trafod sut y gallwn ddefnyddio deddfwriaeth newydd, sy'n diogelu rhag camwahaniaethu wrth ddarparu nwyddau a gwasanaethau, er mwyn gweithio ar gyfer pobl LHD wrth ddarparu gwasanaethau iechyd, addysg a chartrefi yng Nghymru. Bydd trafodaeth yn dilyn pob araith. Gadewch i ni wybod sut yr hoffech gael eich trin gan wasanaethau cyhoeddus yng Nghymru!

It is four years since the launch of LGB Forum/Stonewall Cymru at the first ever Annual Conference. Join us to review the momentous legislative changes since then:

2003 National Assembly for Wales: Respecting Others: Anti-Bullying Guidance effectively repealed
Section 28 in Wales
2003 Employment Equality Regulations Fair treatment in work
2003 Criminal Justice Act Increased sentencing for homophobic hate crime
2004 Civil Partnership Act Legal recognition for same-sex relationships
2005 Amendment to Children and Adoption Act 2002

And to debate how we make newly won regulations to protect against discrimination in goods and services work for LGB people in the delivery of health, education, housing in Wales.
Each speech will be followed by a discussion. Tell us how you want to be served by public services in Wales!
