

Frida Kahlo - SEND

Stonewall's home learning packs can be used by parents or carers looking to support their child's learning or by education staff looking to send work home for their students. There is a primary, secondary and SEND version of each pack, with a list of suggested activities and supporting materials for you to pick and choose from. All of these activities are aimed at children and young people working on P-Scales, although there are also some slightly trickier activities too. You might also wish to look at our primary resource pack, which would be suitable for secondary aged young people who are working below the age related expectations.

A word on online safety: please make sure you supervise your child when they use YouTube or are using the internet for research. Talk to them about what they should do if they see something that makes them feel uncomfortable or that they think they shouldn't be seeing. Use our [Staying Safe Online](#) resource or the [Childnet](#) website to help you.

Who are Stonewall?

This resource is produced by Stonewall, a UK-based charity that stands for the freedom, equity and potential of all lesbian, gay, bi, trans, queer, questioning and ace (LGBTQ+) people. At Stonewall, we imagine a world where LGBTQ+ people everywhere can live our lives to the full. Founded in London in 1989, we now work in each nation of the UK and have established partnerships across the globe. Over the last three decades, we have created transformative change in the lives of LGBTQ+ people in the UK, helping win equal rights around marriage, having children and inclusive education.

Our campaigns drive positive change for our communities, and our sustained change and empowerment programmes ensure that LGBTQ+ people can thrive throughout our lives. We make sure that the world hears and learns from our communities, and our work is grounded in evidence and expertise.

Choose the right activity for your child:

a very simple version of the activity, for children and young people who can match symbols

a simple version of the activity, for children and young people who can recognize symbols and answer questions

a harder version of the activity, for children and young people who can answer questions and can understand more complicated ideas

Suggested Activities:

- Look through the fact file – either with an adult or a sibling, or on your own if you can.
- Answer the questions about Frida Kahlo on the worksheet.
- Look at some Frida Kahlo paintings. What you can see in them? Use the communication mat to help you.
- Cut out the Frida Kahlo paintings and make a poster with them.
- Choose your favourite Frida Kahlo picture and stick it on the 'My Opinion Worksheet'. Answer the questions underneath.
- Stick the big Frida Kahlo picture onto a piece of card and cut it up to make a jigsaw.
- Paint a self portrait – try to use bright colours like Frida Kahlo used.
