

Creativity - Primary

Stonewall's home learning packs can be used by parents or carers looking to support their child's learning or by education staff looking to send work home for their pupils. There is a primary, secondary and SEND version of each pack, with a list of suggested activities and supporting materials for you to pick and choose from.

Stonewall is a lesbian, gay, bi and trans equality charity working with employers, schools, colleges and services for LGBT acceptance without exception. Find out more about our work here: www.stonewall.org.uk.

A word on online safety: please make sure you supervise your child when they use YouTube or are using the internet for research. Talk to them about what they should do if they see something that makes them feel uncomfortable or that they think they shouldn't be seeing. Use our [Staying Safe Online](#) resource or the [Childnet](#) website to help you.

Reception and Key Stage 1

- Choose a song from the list in the resource pack. Make up a dance to it.
- Choose a song from the list in the resource pack. Think about how the song made you feel – make some art based on that. It could be a drawing, a collage or a painting. It doesn't need to be a picture of an object or a person, it could be abstract.
- Look at the pictures in the resource pack. Choose one that you like and make a self portrait in the style of that artist.
- Make a collage to celebrate your interests and your personality. Use magazines, fabrics, and photos to create it.
- Make a poster that shows people it's ok to be different.
- Make rainbow cupcakes. You'll find a recipe here: https://www.bbc.co.uk/food/recipes/rainbow_cupcakes_36373
