

'I've been lucky to have many role models in my life who've showed me what it means to inspire people. They aren't famous. They're just people who shared their stories with me and encouraged me through dark times. Role models do everything from simply standing up to standing out. It's a kind word. It's saying no to bad behaviour. It's celebrating the triumphs and accomplishments together. You're a role model for just being you and sharing that with one person, or one hundred.'
